

COMPANY PROFILE

VISION

To become the leading innovator in the marine and industrial industry.

MISSION

To provide excellent services to our clients.

OUR VALUES

- Commitment to excellent service
- Continually enhance one's level of expertise
- Responsible to take the consequences of one's action
- Practice unity to attain worldwide achievements

HISTORY

HOPE Marine and Industrial Solutions, Inc. is composed of highly skilled individuals dedicated to provide its customers with the highest level of quality service.

In 2008, HOPE Marine and Industrial Solutions, Inc. was envisioned by a young and talented naval architecture and marine engineering student Mr. Erick De Guzman. Four years later, he formalized the company with the help of Chief Engineer Ricardo De Guzman who had been in the Marine and Engineering Industry for over 30 years.

Home Marine and Industrial Solutions, Inc. (HMI) has built one of the powerful combinations of shipbuilding, ship repair and fabrication expertise in the Philippines. Since then, the company had served excellently to several clients.

For 2 years, HMI has the technical expertise, qualified workforce and facilities to service your marine vessel requirements. From ship design and ship building to fast efficient ship repair, installation and general refurbishment.

HOPE Marine and Industrial Solutions, Inc. Shipyard (HMI Shipyard) is located at Tanza, Cavite City situated at the entrance of Manila Bay.

HMI Shipyard operates to international standards servicing local and international clients.

HMI Shipyard's management and engineering team is supported by industry partners and a local workforce, has secured its place in the country as a competitive alternative for ship and yacht owners worldwide.

CAPACITY

HMI Shipyard has a lot area of 10,000 square meters and can accommodate three 2,000 tonnes vessel at one time.

HMI Shipyard has complete facilities for on-site ship repair, maintenance, fabrication and designing.

HMI Shipyard handles emergency dockings 24/7, coordinates in-house logistical support by air and sea and provides onsite security personnel as well as crew accommodation and mess facilities.

SERVICES

HMI Shipyard has a qualified labour force of over 200 employees including our partners in the industry with vast experience in ship design and construction, marine repairs, marine engineering and other marine projects.
